

# FCA COMPETITOR'S CAMP

## JULY 12-16, 2012

### CAMP WOW - GERTY, OK

### \$250 PER CAMPER

**STUDENTS MUST BE BETWEEN THE AGES OF 11-14 AT THE START OF CAMP**

This camp is a FCA Camp that teaches how to be a competitor for Christ. Our focus is on the competition side of athletics, not specific sports clinics. From the moment that these youth step on the campground they are competing. They will be competing in silly competitions, serious competitions, attitudes, sportsmanship, etc. all in the name of Christ! They will be challenged with messages in chapel, team building with their huddles, and having fun in the water.

This FCA Camp has a unique feature as we place each camper in a huddle group for the camp. The gender-specific huddles are generally separated by ages 11-12 year olds and 13-14 year olds.
